

FOR IMMEDIATE RELEASE

HINKLEY LIGHTING PARTNERS WITH DECKORATORS ON NEW DECK LIGHTING LINE

Cleveland, Ohio (October 11, 2018) – Deckorators® by Hinkley Lighting, a new line of low-voltage deck lighting jointly developed by both companies, launched this week at DeckExpo in Baltimore, Maryland. The collaboration between Hinkley Lighting and Deckorators, a subsidiary of Universal Forest Products, is the first of its kind for both companies.

“Our partnership with Deckorators moves us into a new channel of distribution,” says Doug Prexta, landscape lighting sales manager for Hinkley. “We’re thrilled to bring dealers and contractors design-forward deck lighting options we know their customers will love, especially with outdoor living projects on the rise.”

Deckorators by Hinkley Lighting includes a selection of 12-volt LED post cap, step light and deck sconce options to coordinate with Deckorators composite decking and railing. All options offer ease of installation, exceptional illumination, and a five-year LED and manufacturing defects limited warranty.

Deckorators by Hinkley Lighting options include:

- The Luna Collection 4-inch post cap in Black and White to match [ALX Pro railing](#).
- The Luna Collection 2.5-inch post cap in Textured White, Matte Black and Satin Black to match [ALX Classic railing](#).
- The Luna Collection 2.5-inch post cap in Brushed Titanium to match [ALX Contemporary railing](#).
- The Luna Collection step lights in Bronze and Satin White.
- The Nuvi Collection of deck sconces in Matte Black and Textured White.
- 12V LED round and square post sconces in Matte White and Satin Black.

About Deckorators

Deckorators, the first name in decking, railing and accessories and the originator of the round aluminum baluster, is a brand of Universal Consumer Products, Inc., a subsidiary of Universal Forest Products, Inc. Deckorators started the low-maintenance aluminum balusters category with the Classic Series and has since led the industry with many new and innovative decking and railing products. Its approach to developing exciting and distinct products allows both DIYers and builders to bring the personal creativity of interior design to outdoor living.
