HINKLEY LIGHTING EARNS MARKET CHOICE AWARDS AT LIGHTOVATION

Avon Lake, Ohio (July 2, 2019) – Hinkley Lighting earned a Market Choice Award in the Outdoor category at Lightovation, the International Lighting Show. The company entered products into five categories – Bath, Ceiling Fan, Chandelier and Pendant, and Outdoor – and took home the top spot in Outdoor with Taper, a sleek LED lantern.

Built to last with a minimalist style, Taper includes a recessed integrated LED engine directed downward. Part of the Hinkley Lighting Coastal Elements collection, it is engineered with composite materials for maximum durability. Taper is available in two sizes, in modern Textured Black, Textured Graphite or Textured Oiled Rubbed Bronze finish options.

“In outdoor lighting, soft and modern design continues to trend,” said Lauren Lovett, Product Director. “With Taper, clean lines paired with a soft angle create a modern silhouette, and integrated LED technology provides beautiful, gradient illumination.”

The Market Choice Awards are sponsored by enLIGHTenment Magazine and Dallas Market Center, and recognize the top products debuted at Lightovation in the Bath, Ceiling Fan, Chandelier and Pendant, Outdoor, Portable Lamp and Technology categories. Hinkley Lighting has earned Market Choice Awards at the past six Lightovation events.

About Hinkley Lighting

Since 1922, Hinkley Lighting, headquartered in Avon Lake, Ohio, has been a leading designer and distributor of high-quality decorative lighting fixtures. In 2019, it expanded into the ceiling fan category through its acquisition of Regency Ceiling Fans. Hinkley is driven by a passion to create products that blend design and function for interior and exterior applications.
